They have brought a new vision to the Kingspoint project, a vision that promises to deliver something special. Marshalling a dedicated staff of architects, builders, craftsmen and interior designers, they have put in place a hard-edged set of working guidelines and principles. BEAUTIFUL HOMES THAT  
COMBINE CONTEMPORARY  
LUXURY WITH SCOTTISH  
CRAFTSMANSHIP.

Kingspoint offers a choice of sixteen beautiful family homes. Designed to take full advantage of their fantastic location just outside Helensburgh, they all command fine views across the dramatic waters of the Gareloch.

A secluded road brings you up to the Kingspoint development and you'll immediately see that this exclusive new community provides both privacy and breathing space. Nine different house types are on offer, each customisable to meet your unique aspirations.

The Kingspoint properties are all built in a substantial traditional style and boast impressive architectural features such as integral double garages and elegant terraces. They are a mix of four and five bedroom properties that offer very generous room sizes, contemporary open-plan family areas, a suite of impressive public rooms and the flexibility of a home office or study.

You'll find a host of modern luxuries, including designer kitchens and bathrooms and the latest in intelligent cabling for your home entertainment needs.

These 21st century essentials are complemented by traditional craftsmanship and the highest levels of fit and finish; as shown by the beautiful staircases which form the heart of each home. In addition, en-suite bathrooms, fitted wardrobes, dressing rooms and utility rooms provide the luxury of convenience and ensure that your Kingspoint home will really work for your family and meet its growing needs.

YOUR GATEWAY TO ALL THAT  
IS BEST ABOUT THE BEAUTIFUL  
WEST COAST.

Kingspoint enjoys one of the most enviable locations in the whole of Scotland. Perched on a beautiful wooded hill a few miles along the coast from Helensburgh, it combines a stunningly beautiful coastal situation with easy access to some of the best shopping, dining, sports and leisure that the country has to offer. Kingspoint is your gateway to all that is best about the beautiful west coast.

With three railway stations and excellent road links, Helensburgh is just a 45 minute train journey away from the centre of Glasgow. It's therefore not surprising that the surrounding area contains some of the most sought after addresses for both commuters, families and those looking for a wonderful place to retire.

Helensburgh itself offers a uniquely high quality of life. Its picture-perfect seafront has a real nautical feel, thanks to the extensive facilities of the Helensburgh Sailing Club, the Royal Northern and Clyde Yacht Club and the nearby Rhu Marina. Walk along the esplanade and you'll find a wide range of high quality shops, including mouth-watering delicatessens, characterful pubs and the much-feted Storm restaurant, which has become one of the west coast's 'destination' eateries. Add to this some excellent local schools and it's easy to understand Helensburgh's popularity.

Around the town, there are almost unlimited choices for relaxation, entertainment and more strenuous outdoor activities: Take a cruise on the historic Kenilworth passenger ferry; join the yachting club; or improve your game at one of many local golf clubs. These include Loch Lomond, one of Scotland's most exclusive courses, which also boasts a luxury spa.
